

Free Choice CSA

CSA Stands for Community Supported Agriculture. In 1990, Jan developed a new CSA model that allowed our customers to get exactly what they wanted in return for supporting our farm through the expensive spring startup season. She coined the term “Free Choice CSA,” and 35 years later it continues to serve our supporters.

When you invest in our farm at the start of the season, you receive a credit in the amount you paid PLUS a percentage bonus. Spend it at any of our five farmers’ markets or our farm store for all 26 weeks of the season! Your balance must be used by November 1st and does not carry over.

Choose exactly what you want from everything we sell. At markets find all of our certified organic vegetables, flowers, strawberries, organic garden seedlings, and our wood-fired maple syrup. Find all that and more in the farm store: eggs, sourdough bread, ground beef, chicken pot pies, sausage, raw milk, cheese, yogurt, kraut and other ferments, jams and chutneys, hot sauce, honey, apples and cider, and blueberries, all produced here in midcoast Maine by friends at neighboring farms.

Enjoy peak flavor and abundance from May through October at up to a 10% discount when you sign up by May 1st. Bring a check to market or the farm stand, or mail it to us, and include the form on the back of this sheet. You’ll get a card to use at market, and we can easily look you up if you forget it. Learn more and find answers to FAQs on our website, goransonfarm.me.
